

Muttu Mu2 Song Lyrics

Unai ange kangiren
Un patkam varava
Yaar evaranu theriyavillai
Irundhalum palagalam

Oh oh paarkamal pesa thonuthu
Paarthathum pesa patharadhu
Palagalam kunjom palagalam

Muttu muttu enai muttu
Idichu pora vekkatha vittu
Kolandha pola kolapadi kaatu
Yaar indhu dhavani

Nethiyila irukkudhu pottu
Adhukkum keela kalla sirippu
Mothathilla unakkindha paattu
Vaa vandhu aadu nee

Mun jenmam unnai paartha nyabagam
En manasil varaintha adhe mugam

Thaka jimi thaka jammunu than
Thudikkum en idhayam
Thalli nee ninna kooda idikkum

Ammadi

Athadi naan venumunnu panle
Nee vehnumnu than vanthene

Un kaiyala killi killi
Illai nijam naan solluvene
Hey kurum pulla kalli kalli
Nesamale than muttuthadi

Yen moodugirai en nila maane kunjom nil
Vanthu solludi en idhayathil meedhu enna pudhu feel
Parakkum manmathanin ambu straight for the kill
Un dhavani naan kadhal nizhaithu oonjal

Please take the chance with me
All the best

Muttu muttu preety girl hit in me now
With dhavani girl all feel me now
Un mugathin nyabagam en mayakkam
