

Mustarib muztarib rehata hoon main hamesha  
Mustarib muztarib rehata hoon main hamesha  
Teri hi yaad mein ek ajab behkasi hai  
Saans tu aas tu, tu meri jindagi hai  
Mustarib muztarib rehata hoon main hamesha  
Mustarib muztarib rehata hoon main hamesha  
Teri hi yaad mein ek ajab behkasi hai  
Saans tu aas tu, tu meri jindagi hai

Ho ho ho tu meri chaah mein, tu hi nigaah mein  
Chaaron taraf hai tu hi tu  
Tu bemisaalon mein, tu hai jamaalo mein  
Mujhako teri hai aarju  
Mustarib mustarib rehata hoon main hamesha  
Mustarib mustarib rehata hoon main hamesha  
Teri hi yaad mein ek ajab behkasi hai  
Saans tu aas tu, tu meri jindagi hai

Ho ho ho tu hai karaare jaan, tu hai bahaare jaan  
Jinda hoon tere dam se main  
Tu hai duwaaaon mein, tu hai sadaao mein  
Sach kehata hoon kasam se main  
Mustarib mustarib rehata hoon main hamesha  
Mustarib mustarib rehata hoon main hamesha  
Teri hi yaad mein ek ajab behkasi hai  
Saans tu aas tu, tu meri jindagi hai

Tu hai nashibo mein, tu hai karibon mein  
Tujhase mohabbat hai mujhako  
Aake simat ja, mujhase lipat ja  
Teri jarurat hai mujhako  
Mustarib mustarib rehata hoon main hamesha  
Mustarib mustarib rehata hoon main hamesha  
Teri hi yaad mein ek ajab behkasi hai  
Saans tu aas tu, tu meri jindagi hai.
