

My heart is beating beating
Beating beating beating night and day
Yeh aapko hai maloom ke
Humko pyaar ho gaya hai
Aur hona tha jitna bhi
Intezar ho gaya hai
Dil aap ki khatir seene
Mein beemar ho gaya hai
Gar humse aap romance karein,
Hum aap ka dil se thanks kare
Agar humse aap romance karein,
Hum aap ka dil se thanks kare

Thank you for love baby,
Thank you for dawn
Thank you for right baby,
Thank you for wrong
Thank you now you
Gotta love somebody
Thank you now you
Gotta ride with me
Thank you the song
And i'll thank you life long

BHARAT
lyrics

Apni toh haalat hai yeh jogi jaisi
Chahat mein marne waale rogi jaisi
Dhyaan zara sa hum pe de do abhi
Aage na jaane soorat hogi kaisi
Haan dekho mere
Armaano se uthta hai dhuan
Gar humse aap romance karein,
Hum aap ka dil se thanks kare
Gar humse aap romance karein,
Hum aap ka dil se thanks kare

Thank you, thank you.
Hey hey..la la la ...

Hoye hum toh deewane
Hain ji seedhe saadhe

Tumko paane ki dhun
Mein ho gaye aadhe
Chala na jaaye
Yeh mahurat kahin
Jaldi se aake poore kardo vaade
Haan achha mauka kho
Na jaaye, kehta hai samaa
