

My love meri priyatama
Main hi meri priyatama
Kal tak tha main kaliyo ki dhul
Tune kiya aasman
Ahsan ka tere ye hain kamal
Ke ho gaya aaj main bemisal
Pathar tha main tere pyar ne
Pathar mein dali hain jaan

Damam mera aachal tera
Aise bandhe takdir se
Khulte nahin sato janam
Ab ye kisi tabdir se
Ab kaun hamko karega juda

Ke pyar hain aap apna khuda
Chahat to bas jeena jane
Marna kya hain ye kya jane
Tu ghum ka kar meri jan
Ahsan ka tere ye kamal
Ke ho gaya aaj main bemisal
Pathar tha main tere pyar ne
Pathar mein dali hain jaan

Mere liye mukh pe kabhi
Uljhe se bal bikhre nahi
Warna is andhiyare mein
Kho jaunga phir main kahi
Aasu ki ek boond teri kasam
Mujhko na hoga samundar se kam
Uski lahero mein phir janam
Dubega ye sara aalam
Main bhi bachunga kaha
Ahsan ka tere ye kamal
Ke ho gaya aaj main bemisal
Pathar tha main tere pyar ne
Pathar mein dali hai jan
My love meri priyatama
Main hi meri priyatama
Pathar tha main tere pyar ne
