

My love, my love
You so wonderful, i can' t control my feelings
Bharatlyrics.com
So apealing, so take my hand to land
And give me some love as a birthday gift
Your touch your tease your face erotic hypnotic

Phulon se puchha kaliyon se puchha
Jannat ki saari pariyan se puchha
Mehfil se puchha saathi se puchha
Kahin mila na koi tere jaisa
Surkh sa gulaab kya, kimati sharaab kya
Sher laajawaab kya, aap toh bas aap hai
Aap toh bas aap hai
Aap toh bas aap hai

Everywhere you are
Everywhere you are
Everywhere you are
Everywhere you are

Everywhere you are
Everywhere you are
Everywhere you are

You wanna be with me, i wanna be with me
Shabnam se puchha resham se puchha
Rango se puchha shaayar se puchha
Husn mein lipati galiyon se puchha
Kahin mila na koi tere jaisa
Jhumata shabaab kya, chehara mehtaab kya
Luft behisaab kya, aap toh bas aap hai
Aap toh bas aap hai
Aap toh bas aap hai

Phulon se puchha kaliyon se puchha
Jannat ki saari pariyan se puchha
Mehfil se puchha saathi se puchha
Kahin mila na koi tere jaisa
Surkh sa gulaab kya, kimati sharaab kya

Sher laajawaab kya, aap toh bas aap hai
Aap toh bas aap hai
Aap toh bas aap hai

Everywhere you are
Everywhere you are
Everywhere you are
Everywhere you are

Everywhere you are
