---

Tu hi mainu khash sohneya  
Tere tonh hi aas sohneya  
Imraan dekar pyaar mangaa mai  
Aayi jaanvein raas sohneya

Tu aanvein jadd vi milan mainu  
Meri khunjein laggadi addi nai

Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai  
Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai

Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai  
Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai

Kohl mere aa baike tu  
Naal-e sune naal-e kujj kehje tu  
Aankhaan kade naa khola mai

Vich surma bannje beh je tu

Vich pahadaan te jaa ke  
Thoda nimma jeha hasseyaa mai  
Qudrat di bukkal vich baike vi  
Tainu hi sohna dasseyaa mai

Kitthey jaa ke tainu manngeya naa mai  
Jagah aisi koi chhaddi nahi

Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai  
Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai

Ki karna unchaiyaan chhala nu  
Ki karna geen ke taareyaan da

Bas tu kalli mere kohl hove  
Dass ki karna mai saareyaan da

Tere jehre surat dil mere nu  
Ajj taan hi koi laghi nahi

Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai  
Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai

Mere nede nede reh naa kari door tu mainu  
Tere layi rovaan mai naa karin majboor tu mainu  
Tu kahe je chann chahida dharti uttey taarey laange  
Tere bin jeena aukhaa saanhaan bin taan saar laange

Bohot adavaan vekhiyaan mai  
Teri adah jinni koi fabbi nahi

Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai  
Tere te mukk jaandi ae  
Meri duniya bohot hi vaddi nai
