

Na bole tum na maine kuch kaha

Dere na dere na....

Dere na dere na...

Dere na dere na...

Jab se tune karli hai duri

Zindagi hai tab se adhuri

Tune mujhko apna na mana

Hai kuch teri aisi majbori

Teri raza teri marzi

Meri toh hai bas yeh arzi

Tere liye jina ho mera

Pau tujhe ya na pau

Khona tujhe maina chahu

Hoke rahu mein toh bas tera

Tere is ishq mein tere ishq mein

Hum dil se gaye hum jaan se gaye

Hum dil se gaye jaan se gaye

Ha ek tere leye

Tere is ishq mein tere ishq mein

Hum tujpe mitte ha tujpe mare

Hum tujpe mit gaye hai mar gaye

Na bole tum na maine kuch kaha,

Kuch kaha, kuch kaha

Aa koi na sahe esa gum bhi

Kar na sake aankhe num bhi

Yaa rab hai tujse ye dua ha ha

Saath koi kyun ho ese

Saath kabhi the na jaise

Pal main paraya sab hua

Tere is ishq mein tere ishq mein

Hum dil se gaye hum jaan se gaye

Hum dil se gaye jaan se gaye ha ek tere leye

Tere is ishq mein tere ishq mein

Hum tujpe mitte ha tujpe mare

Hum tujpe mit gaye hai mar gaye

Na bole tum na maine kuch kaha

Na maine kuch kaha

Hmm dil ye bole main le aau
Tere lamho ke aangan me

Dhup si khili ye jindagi
Tere naino ke sawan me
Ik dhanak saja paun main
Aisi ho meri bandagi

Tere is ishq mein tere ishq mein
Hum dil se gaye hum jaan se gaye
Hum dil se gaye jaan se gaye ha ek tere leye
Tere is ishq mein tere ishq mein
Hum tujpe mitte ha tujpe mare
Hum tujpe mit gaye hai mar gaye
Na bole tum na maine kuch kaha
Na maine kuch kaha.
