

Manaa kiya tha labon ko apne
Ke naam tera le naa kabhi
Roka bahut ke yeh chehra tera
Khwaabon ko apne de naa kabhi

Kuch nahi hai pehle jaisa
Aaj kal sab nayaa hai
Kuch alag sa lag raha hai
Yeh jo hai silsila

Na chah ke bhi
Na jaane kyun tera ho gaya
Na chah ke bhi
Na jaane kyun tera ho gaya

Thoda thoda karte dekho

Saare huve tumhare hum
Meethe meethe hone lage
Pehle to haan thhe khaare hum

Main kora sa kaagaz
Jiski syaahi tu hi
Padhte hain sab mujhko
Aao tum bhi padho na

Kabhi hota na tha
Jaane kyun ho gaya
Na chah ke bhi
Na jaane kyun tera ho gaya.
