

Na hoyi na judah  
Kis gal to tu khafa  
Tu sunle ae sadaa  
Hun main thu door na ja

Man laggi agg bujha  
Kyun detti ae sazaa  
Mere dil da dukhh vadda  
Hun main thu door na ja

Dil de andar ishqe da gunjal  
Onu hor tu na uljha  
Dil de andar ishqe da gunjal  
Honu hor tu na uljha

Na hovi na juda  
Na hovi na juda  
Ishqe da khed khada ke  
Ankhiyaan tu neend uda ke  
Takdi main raana takdi  
Ro ro ke nai main thakdi

Duniya te tere layi aayi  
Jindedi mein tere naam layi  
Paayi main jag ruswayi  
Mileya tu mennu harjaayi

Tereya khayaalaan wich  
Lab di kitaaban wich  
Labhdi main tenu sajna  
Labhdi khawabaan wich

Hud chhetti chetti aa  
Tu naiya tod nibha  
Mere hanju lakhh vaja  
Menu saava wich vasa

Mere dil da haal ki hai  
Tera dil samajhda ni hai  
Mere yar tu ki jaane  
Pyaar mera tu ki pehchaane
