

Na idhar dekhna na udhar dekhna  
Kya ishara kare ye najar dekhna  
Dekhna kya hota hai  
Dekhta kya hota hai  
Dekhna kya hota hai

Kaun jane ki kya hona hai  
Muskurana hai ke rona hai  
Aaj ki sab sochle ye tu  
Jagna hai ke bas sona hai  
Aag lag jaye na bekhbar dekhna  
Dekhna kya hota hai  
Dekhta kya hota hai  
Dekhta kya hota hai  
Na idhar dekhna na udhar dekhna  
Kya ishara karegi najar dekhna  
Dekhna kya hota hai  
Dekhna kya hota hai

Dekhna kya hota hai

Hamne mana tujhse pahre hai  
Ye andhere bade gahre hai  
Samne tej aaftabo ki  
Ye andhere kabhi thahre hai  
Muskurao kiran ki sahar dekh lo  
Dekhna kya hota hai  
Dekhta kya hota hai  
Dekhna kya hota hai  
Na idhar dekhna na udhar dekhna  
Kya ishara karegi najar dekhna  
Dekhna kya hota hai  
Dekhna kya hota hai  
Dekhna kya hota hai

Aasma se khabar aayi hai  
Ke kayamat idhar aayi hai  
Sab gunehgar kap uthe hai  
Ye maut shayad najar aayi hai  
Mai jidhar dekhu sare udhar dekhna
