

Na jaane kya hai tumse waasta

Pehra tera ye nigaahon pe chaaya  
Main chal diya hoon tere peeche banke saaya  
Pakeezgi hai adaaon mein teri  
Chaukhat pe teri main dil rakh aaya

Ab tu thaame ya chhode  
Ab tu jode ya tode  
Dil mera mujhse bole  
Koi toh hai tumse raabta  
Na jaane kya hai tumse waasta

Tu paas aa doon bataa  
Tere sang mujhe khwabon ko sajaana hai  
Dil bezubaan keh raha  
Tere waaste huaa ye aashiqana hai

Tere chehre se hat'ti nahi hai nazar  
Ab betha hai mera bhi dil zidd par

Ab tu thaame ya chhode  
Ab tu jode ya tode  
Dil mera mujhse bole  
Koi toh hai tumse raabta

Na jaane kya hai tumse wasta

Ab tu jahaan main wahaan  
Teri galiyon mein mera to thikana hai  
Mujhko lage aise jaise ki  
Naata apna chand se bhi zyaada purana hai  
Bin tere meri saanse mujhse khafa  
Kar de tu karam hothon se keh de haan

Ab tu thaame ya chhode  
Ab tu jode yaa tode  
Dil mera mujhse bole  
Koi toh hai tumse raabta  
Na jaane kya hai tumse waasta..
