

Na jane kyun hota hai
Yeh zindagi key sath
Achanak yeh mann
Kisike jane key bad
Kare phir uski yad
Chhoti chhoti si bat
Naa jane kyun

Jo anjan pal dhal
Gaye kal aaj woh
Rang badal badal
Mann ko machal machal
Rahe hai chal naa jane
Kyun woh anjan pal
Saje bhi naa
Mere naino me tute
Rey hai rey sapno key mahal

Na jane kyun hota
Hai yeh zindagi key sath
Achanak yeh mann
Kisike jane key bad
Kare phir uski yad
Chhoti chhoti si bat
Naa jane kyun

Wohi hai dagar

Wohi hai safar
Hai nahi sath mere
Magar abb meraa hamsafar
Idhar udhar dhunde
Najar wohi hai dagar
Kaha gayi shame madhbhari
Woh mere mere
Woh din gaye kidhar

Na jane kyun hota hai
Yeh zindagi key sath
Achanak yeh mann
