

Na jaane tu mera hai kaun
Na jaane tu mera hai kaun
Na jaane tu mera hai kaun
Na jaane tu mera hai kaun

Tu...

Teri dekh ke surat din ki ho shuruat woh meri
Dhoop khili hai jaise barse ke baad sunehri
Aus ki boondon si tu lagti hai
Saath mere tu rehna badastu

Na jaane tu mera hai kaun
Na jaane tu mera hai kaun

Yeh nanhin nanhin si aankhen
Deti hai sukoon is dil ko
Teri narm hatheliyan chu kar
Bhula main har mushkil kar

Tu patang sapno ki, main dor
Oh nanhe humrahi mujhse bol

Na jaane tu mera hai kaun
Na jaane tu mera hai kaun

Teri choti si aankhon main neendein
Ab neendein churayi meri
Baatein jo kehti hai mujhse
Dil main utarti hai gehri

Teri choti si aankhon main neendein
Ab neendein churayi meri
Baatein jo kehti hai mujhse
Dil main utarti hai gehri

Yeh toh jeeti hai duniya
Bas apne hi matlab se
Par chod ke apna saya

Tu mujhko mila hai rab se

Khun se badh kar rishta anmol
Pas tere main ho na koi aur

Na jaane tu mera hai kaun
Na jaane tu mera hai kaun.
