

Rekha ki aankho ko dekha
 Dekhi shridevi ki chal
 Masti minaxi ki dekhi
 Dekhe ravina ke gal
 Muskan dekhi hai maadhuri ki
 Dekhe hain dimpal ke bal
 Naa mili kahi woh heroine
 Jo iss hero ko bha jaye
 Naa mili kahi woh heroine
 Jo iss hero ko bha jaye
 Lao koyi pari kahi se
 Lao koyi pari kahi se
 Jispe iska dil aa jaye
 Naa mili kahi woh heroine

Kali kali lat ghungharali
 Aankhe tirthi tirthi
 Tikhi tikhi lagti hai yeh
 Kolhapur ki mirachi
 Kali kali lat ghungharali
 Aankhe tirthi tirthi
 Tikhi tikhi lagti hai yeh
 Kolhapur ki mirachi
 Kehde pore se ai lajawab pori
 Kehde pore se ai lajawab pori
 Yeh hai chanda toh yeh hai chakori
 Kahi hogi nahi aisi jodi
 Yeh hai chanda toh yeh hai chakori
 Kahi hogi nahi aisi jodi
 Aake jaldi se bandh le prit dori
 Kehde pore se ai lajawab pori

Sundarta ki devi
 Sunaina iska naam hai
 Hasake sab karegi
 Jo tere ghar main kaam hai
 Mithe sur me gayegi
 Tera dil bahelayegi
 Khaana roj pakayegi
 Tere panv dabayegi

Sundarta ki devi
Sunaina iska naam hai
Hasake sab karegi
Jo tere ghar main kaam hai

Honthoki pyaas hun
Teri talash hun jaanejigar
Sabse hasin hun
Sabse javan hu aaja idhar
He honthoki pyaas hun
Teri talash hun jaanejigar
Sabse hasin hun
Sabse javan hu aaja idhar
Ladaki hun main iss jamaneki
Logo mera ye jamana hai
Jadu jagake adaon se
Sabke dilo ko churana hai
Khwabo ki chandani
Tere liyebani teri kasam
Ankho me bandh kar
Mujko pasand kar mere sanam
Naa mili kahi woh heroine
Jo iss hero ko bha jaye
Lao koyi pari kahi se
Lao koyi pari kahi se
Jispe iska dil aa jaye
Naa mili kahi woh heroine
Jo iss hero ko bha jaye

Sabke sab nadan ho tum
Itani bhi pehchan nahi
Jo bik jaye bajaro me
Aurat woh saman nahi
Shadi hai janmo kaa bandhan
Ik do din kaa mel nahi
Jab ji chahe isase khele
Aurat koyi khel nahi
Aurat koyi khel nahi
Aurat koyi khel nahi

Aayi hai kis dooniya se
Lagti hai hur ke jaisi
Sach kehta hu dharti
Par hogi naa ladki aisi
Kya aankhe hain kya mukhda hai
Kamsin hai chand ka tukda hai
Luti hain meri rekha ki aankho ko dekha
Dekhi shridevi ki chal
