

Na tum bewafa ho, na ham bewafa hai  
Na tum bewafa ho, na ham bewafa hai  
Magar kya kare apani rahe juda hai  
Na tum bewafa ho, na ham bewafa hai

Jaha thandi thandi hawa chal rahi hai  
Jaha thandi thandi hawa chal rahi hai  
Kisi ki mohabbat waha jal rahi hai  
Jami aasaman hum se dono khafa hai  
Na tum bewafa ho, na ham bewafa hai

Abhi kal talak to mohabbat jawan thi  
Abhi kal talak to mohabbat jawan thi  
Milan hi milan tha, judayi kaha thi  
Magar aaj dono hi be aasara hai

Na tum bewafa ho, na ham bewafa hai

Jamana kahe meri raho me aa ja  
Jamana kahe meri raho me aa ja  
Mohabbat kahe meri baho me aa ja  
Wo samajhe na majburiya apani kya hai  
Na tum bewafa ho, na ham bewafa hai  
Na tum bewafa ho, na ham bewafa hai  
Magar kya kare apani rahe juda hai  
Na tum bewafa ho, na ham bewafa hai.
