

Na yeh pyaar hai na ikraar hai
Phir bhi dil kyun milne ko bekarar hai
Jaane kyun kisi ko kisi ka
Intzaar hai intzaar hai

Yeh kaisi aas hai na koi khaas
Na koi paas hai
Yeh kaisi aas hai na koi khaas
Na koi paas hai

Paas jaane ko uske kyu
Bekaraar hai
Khud ko hi chal raha
Rone ko dil keh raha
Na kuch de diya hai
Na kuch le liya hai
Phir bhi ye anjaane
Rishton ne janm le liya hai

Yeh kaisi aas hai na koi khaas
Na koi paas hai
Yeh kaisi aas hai na koi khaas
Na koi paas hai

Pal mein lag jaati bheed
Pal mein akela pan
Aisa kyun hota hai
Jab dil rota hai
Dil kyun jalta hai
Khud ko hi chalta hai
Neenden ud jaati hai
Dil ko satati hai
Zindagi jeene ke liya
Zindagi keemat chukati hai

Yeh kaisi aas hai na koi khaas
Na koi paas hai
Yeh kaisi aas hai na koi khaas
