---

Naa chinni lokame chejaaripoyene  
Naa kalala velugule adhrushyamaayene  
Thaaraala theerame dhooramga merisene  
Raagaala koyile gaanaanne marichene

Edhurugaa molichina prashna nenenaa  
Nijamani thelisina kallu moosenaa  
Endhuko emitto theliyalekunna  
Evaridho meppuko vechi choosthunnaanaa

Repu pilavadhaa vechi choodagaa needhi needhegaa pone podhugaa  
Neevu kaani nuvvu neelo undhi choodu  
Thanani vadhili choodu kottha adugu aaganandhigaa

Naa chinni lokame chejaaripoyene  
Naa kalala velugule adhrushyamaayene

Ee samayamaagunaa gaayaalu maanunaa  
Ee baadha kalugunaa mounaalu palukunaa  
Kanneellu aagunaa aaraalu moyanaa  
Sankellu tholugunaa naake ne dhorukunaa

Padhamani vinamani cheppu nuvvainaa  
Tharagani chedharani musugu theesei naa  
Yuddhame lopale naaku naathona  
Evaridho otame vechi choosthunnaanaa

Chinna jeevitham gadupu swechhagaa  
Unna badhani maruvu poorthigaa  
Neevu kaani nuvvu neelo undhi choodu  
Thanani vadhili choodu kottha adugu aaganandhigaa

Naa chinni lokame chejaaripoyene
