Naatho ilaaa
Aakashame
Mana theerame

Nee sneham chigurinche e kaalam
Kala laga dhochindi le

E samayam bagundhani
Anukoni kshanamunadhaa
Theerme nuwaithe alalaga
Thaakana prathisori
Dhoorme lekunda ne chenthe
Cherana tholi saari

Poni poni anukuntu nanu dhatana
Kaani yedho anumanam ani aagana

Nee sparshe varshamla thakindi
Chinukalle kurrisindhani
Nee chamatai thadawalani
Adi naaku varamavvni

Ee kshanam mounale mana bhasha
Aagadhe uchvasa
Oopire thakindi nee swasa
Theeyaga nishwasa

Aagi saage bhagundi ne yathana
Aape veele ledhuntu sruthi minchana
