Nenu sagame ga

Yennenno prashnale
Gundello mantale
Konnemo theerave
Konnemo aarave
Yenti ila

Kulena aashale
Kaaleno oohale
Naavanna nidale
Videna

Vadhile vellakule
Nuvvuleni roju brathukedhe
Nijame ee kshaname
Nammale ante jadisane

Kalale masichese
Manasela niku vachindhe
Marige padhannila
Kanniti thone kadigane

Oopirilo oh sagame
Aaginadhe idhinenu vinna
Ni paina prematho
Kattane oh gude

Kalaina mopaka
Thappaina chupaka
Kulchavuga

Nammale nadhane
Vadhilesi povane
Marena premane
