

Naach naach ke dunia hilade
Sadiyo se thama thama sa lagta hai sara jaha
Sadiyo se thama thama sa lagta hai sara jaha
Is dhirta se aandhi banke
Ek khyal se utha dhua de
Nach nach ke dunia hilade
He nach nach ke dunia hilade

Pyar ko pyar ko poshak banake
Pahan liya hai maine tan pe
Aag hai pani hawa hai tujhme
Jane koi chupa hai man me
Aashao ke sat utha re
Unche unche bhawan jhuka de tu
Aashao ke sat utha re
Unche unche bhawan jhuka de tu
Naach naach ke dunia hilade

Sari dishaye bol uthengi
Naya naya suraj niklega
Sari dishaye bol uthengi
Naya naya suraj niklega
Niklega
In aankho me hai angare
Jhulas jayenge chune wale
In aankho me hai angare
Jhulas jayenge chune wale
Gunjegi fir ek sada
Najro se pathar pighla de tu
Naach naach ke dunia hilade
Naach naach ke dunia hilade

Teri marzi kya hai bata re
Aisa kuch kar ke dihka de
Jo kaha na suna suna ho
Lekin wo sabse juda hai
Bas apna jor chala re
Naya itihias bana re
Bas apna jor chala re
Naya itihias bana re
