---

Aakasha poonkudayaay  
Malayude mele theliyana pulari  
Aalola kaal thalayaay  
Kala kalamode karaliloru aruvi

Oro maravum kanivay choriyunne  
Kannan chirattayil paal

Naadaanithu naadu kaadinnarikaanu  
Chaarum mazha chorana koodu  
Moham chumaraanu veedin akamaake  
Ammakkili verkkana chooru

Veyilukal kaliyidam varayumee thodikalil  
Palmakal nirayumee vazhikalil
