---

Naadodi mannan  
Naanpora paadhayillae  
Ponaalae sedhamillae thaalaeloo

Aathaava andha  
Aagasam kooda vara  
Vera yeadhum thevai illa thaalaeloo

Pallathila kaal irundhum  
Pallakkula yen poustu  
Panjam passi paakayillum  
Alli tharum poo manasu

Paththuthala raavanaanan  
Paanju varum poarmurassu  
Metteduthu paadayilae  
Naanum kavi pear-arasu

Thonnaiyila soru  
Thottiyila neeru  
Yenna nadandhaalum  
Illa illa kanneeru

Nethiyila nooru  
Natchathiram paaru  
Vandha vali ponaa  
Vambae illa munneru

Hey seema pooravum  
Suththi varum kaataaru  
Yenga ninnalum  
Andha yedam en ooru

Saathi parkatha  
Sanamae en kootu  
Modhi parthalae  
Mudipen poli pottu

Konjam kidachaalum  
Pangu vaikkum aalae  
Kooda irunthaaalae  
Ella naalum nannaale

Kuttu patta ezhai
