---

Naan naan ezhuyadhu nadandhe theerum  
Naal vara en mughazh nighazhindhe theerum  
Athu varai porupadhu manandhin veeram  
Paravaigal paranpathil vizhupadhun serum

Nirandharam maanavan vilagi sendraal  
Thirumbiduvaan ena ariyaa sanam  
Oyvu mudindhadhun thirumbi vandhal  
Arasanukke indha ariyaasanam

Naan naan ezhuyadhu nadandhe theerum

Naal vara en pugazh nigazhndhe  
Parapadhil mudhal padi vizhuvadhu dhaan  
Silar vizhavadhe tharayinai idithidathaane

Sirithe vaazhndhavan karathai thedi  
Kaalam than muthathai podum  
Edhithe vaazhndhavan karathai thedi  
Kaalam than yuthathai podum

Ranam nooraaga  
Marodu vaal keerinaalum  
Yevan poraada poraano  
Avan per dhaan nikkum

Parapadhil mudhal padi vizhuvadhu dhaan  
Silar vizhavadhe boomiyai idithidathaane  
Muyal vara kaathidum kazhugugal dhaan idhu  
Muyal ala puyal adhan siragodippene.
