

Naanaadadaa Song Lyrics

Naanaadadaa maathellaava kaddaalisu
Aadaroo nee helade oddaadisu
Nee thoruva mungopava muddaagisu
Kannale nee mellage otthaayisu

Odada pusthaka naanu
Edegotthi kolluveyenu
Bisiya usiru needi

Prathi saalanookatheyaagisu

Naanaadadaa maathellaava kaddaalisu
Aadaroo nee helade oddaadisu

Madhura kanasina kadaa
Therede iduvenu sadaa
Onti naanaadaroo sambhaavitha

Sarala sangathiyali
Salige sambhavisali
Janti abhyaasake suswaagathaa

Thereyaa mareyaa
Vishaya thumbaa ide
Krupaya himbaalisu

Ninna seleshada savi
Bareyalaaranu kavi
Manadi bari ninnade chithrothsavaa

Panchaanaameya bidu
Pratham chikithseya kodu
Maadi saddilladaa apaghaathavaa

Ubhayaa hrudayaa
Adaloo badalaadare
Neene sambhaalisu

Naanaadadaa maathellaava kaddaalisu
Aadaroo nee helade oddaadisu
Nee thoruva mungopava muddaagisu
Kannale nee mellage otthaayisu.
