

Chadhti lehren laangh na paayen
Kyun haanpti si naav hai teri naav hai teri
Tinka tinka jod ke saanse
Kyun haanpti si naav hai teri naav hai teri
Ulti behti dhaar hai bairi dhaar hai bairi
Ulti behti dhaar hai bairi dhaar hai bairi
Ke ab kuch kar ja re panthi..

Jigar juta kya baat baandh le hai
Baat thehri jaan pe teri jaan pe teri
Haiya ho ki taan saath le
Jo baat tehri jaan pe teri shaan pe teri
Chal jeet jeet lehra parcham
Tu laal phehra ja
Ab kar ja tu ya mar ja karle taiyari
Udja banke dhoop ka panchi
Chura ke gehri chhaon
Andheri chao andheri
Tinka tinka joodle saase
Kyun haanphti si naav hai teri
Rakh dega jhakjhor ke tujhe
Tufano ka ghor hai dera ghor hai dera
Bhanwar se dar jo haar maan le
Kaheka phir jor hai tera jor hai tera
Hai dil mei roshni tere
Tu cheer daal sab ghere
Lehron ki gardan kas ke
Daal phande re

Ki dariyan bole waaha re panthi
Saar ankhon pe naav hai
Teri naav hai teri
Chadti lehren laangh na paaye
Kyun hanpti si naav hai
Teri naav hai teri
Ulti behti dhaar hai bairi dhaar hai bairi
Ulti behti dhaar hai bairi dhaar hai bairi
Ke ab kuch kar ja re panthi..
