

Nachavule Nachavule Song Lyrics

Nachavule nachavule
Ye roju chushaano aa roje
Nachavule nachavule
Nee konte vashaale choosaake

Thadabadani teeru needhe
Tegabaduthu dhookuthaave
Edurupadi kooda
Evarolaa nanu choosthaave
Beduru mari ledhaa
Anukundhe nuv chesthaave

Aey, nachavule nachavule
Ye roju chushaano aa roje

Kapati kapati kapati kapati
Kapati kapati kapati kapati
Kapati kapatiyaa naa naa

Appude telusanukunte
Anthalo ardhama kaave
Pogaruke anukuve addhinaave

Paddhathe parikinilone
Unnadaa annattundhe
Ammadu nammithe thappu naadhe
Nanninthalaa emaarchina
Aa maaya needhe

Nachavule nachavule
Ye roju chushaano aa roje

Paikalaa kanipistaave
Maatatho maripistaave
Manasuke musugune vesinaave

Kashtame daatesthaave
Ishtame daachesthaave
Lopalo lokame undi leve

Naakandhulo ye moolano
Chotivvu chaale

Thadabadani teeru needhe
Tegabaduthu dhookuthaave
