---

Oh duniya nu chadke oh sareya ton hatke  
Oh mere vall ankhiyan oh kardi  
Kehndi jadon khulke oh mere vallon mudke  
Main ik bas tere utte mardi

Oh duniya nu chadke oh sareya ton hatke  
Oh mere vall ankhiyan oh kardi  
Oh haath tharke rumaal oho kardi kamaal  
Mukh ho gaya ni ohdhan aaj laal

Ve aaj oh nachdi aaj oh nachdi  
Aaj oh nachdi hai sadde naal

Ve aaj oh nachdi hai sadde naal  
Nachdi hai sadde naal  
Ve aaj oh nachdi hai sadde naal  
Nachdi hai sadde naal  
Ve aaj oh nachdi hai sadde naal

How did i ever get a girl like you?  
I'm in love i'm in love i'm in love yeah  
I never thought i had a chance with you  
Meri jaan meri jaan

She'd be shakin' it shakin' it all night  
She'd be settin' it settin' it on fire  
She'd be takin' me takin' me so high  
Aaja nachle nachle nachle nachle!

Baby can we dance the night away  
When you smile take me to another place  
Tell me baby can you feel the chemistry  
When you're dancing with me?

Sing it with me now  
Sing it with me now

Boli paayi jadon nikki  
Jehdi sabh naalon tikhi

Nau do gyarah dasse ikki  
Gidhe chadi na oh lithi

Ho mile jaden mainu sohni  
Hove aisi man mohni  
Aaya gidhe vich takda puhaal

Aaj oh nachdi aaj oh nachdi  
Aaj oh nachdi hai sadde naal  
Ve aaj oh nachdi hai sadde naal  
Nachdi hai sadde naal  
Ve aaj oh nachdi hai sadde naal  
Nachdi hai sadde naal  
Ve aaj oh nachdi hai sadde naal

She'd be shakin' it shakin' it all night  
She'd be settin' it settin' it on fire  
She'd be shakin' it shakin' it all night  
She'd be settin' it settin' it on fire

Nachdi hai sadde naal  
Ve aaj oh nachdi hai sadde naal  
Nachdi hai sadde naal.
