

Nadi mein yeh chanda kise dekhata hai
Nadi mein yeh chanda kise dekhata hai
Kise dekhata hai, kise dhundata hai
Tumhaari ada raat mein chaandani si
Tumhaari hasi dil ki hai roshani si
Nadi mein yeh chanda
Kise dekhata hai, nadi mein yeh chanda

Woh saagar se sine mein chehara chhupaana
Tumhe maang mein bhar ke sindoor sajaana
Woh saagar se sine mein chehara chhupaana
Tumhe maang mein bhar ke sindoor sajaana
Nadi mein yeh chanda tumhe pujata hai
Tumhe pujata hai, tumhe maangata hai
Tumhaari ada raat mein chaandani si
Tumhaari hasi dil ki hai roshani si
Nadi mein yeh chanda

Kise dekhata hai, nadi mein yeh chanda

Tumhaari woh baatein tumhaara woh jaadu
Tumhaare badan mein yeh hai kisaki khushabu
Tumhaari woh baatein tumhaara woh jaadu
Tumhaare badan mein yeh hai kisaki khushabu
Nadi mein yeh chanda tumhe sochata hai
Tumhe sochata hai, tumhe puchhata hai
Tumhaari ada raat mein chaandani si
Tumhaari hasi dil ki hai roshani si
Nadi mein yeh chanda
Bahot bolata hai, bahot bolata hai
Jara dolata hai.
