Hrudayam rasukundile
Epudo mounamga

Manase anduke ilaa
Nanne kasiripommani
Neetho kothadarilo
Nanne nadipinde

Marchesave manasara
Neandamtho chelithara

Deeni peru pramani
Aasaga undile
Deeni teeru ayani
Thelisindi nevalane

Madhuram madhuram ee pranayam
Tholi paruvamlo
Jarige madanam neekosam
Virahapu nadilo

Merise gaganam nee nayanam
Vasudhavanilo
Kurise rachanam aa adharam
Cheli pilupulalo

Vennele ne kosame
Ovekuvai udayistunde
Anduke e lokame
Nevaipe chustunde

Enduko innalila lenantha
Vintha vaibhavam
Andamai valindile
Na kalla mundare

Kalavaramo tholivaram
Theliyani e bhavam
Munupepudu eraganide
Preme e gaanam

Kavianaipoya neevalane
O priyalalana
Kalalo kathalo nee japame
Maruvanu vadana

Valapo malupo theliyadule
Manmadha rachana
Valache varuku viduvanule
Sogasula sadana

Praname o venuvai
Ee ganame vinipistunna
Paadame jalapatamai
Nee vente vastunna

Adbhutham naalo sagam
Nuvvu cheruvaina ee kshanam
Ankitham na jeevitham
Nee sonthamainade

Paravasame parimalamai
Naalo nindinde
Prathi nimisham nee thalape
Champestu unde.
