---

Tara tharare tharare rannarare...  
Aahh aahhh aaa..

Nadugutide edegoodu sudugaadu barimouna  
Tevaluthide vaatsalya bari mosa dwesha ide zamaana

Baduku novannu maaruva taana  
Bharatlyrics.com  
Otte idugilli nina thanavana  
Hottu aledaadu ninna nenepanna  
Nilabedanee...

Katti maseyutaare anumaanveke  
Suridu hod rakthakilli alate yake?  
Harida daari holidu thepe hakabeke?  
Nenneyali naale ide huduku mankee

Idee manukula inta dustatanake nalugide  
Yugaa mugidaru dweshak uliyuvanta balavide  
Neenu attare naguva jagke illa yava yaatane  
Omme ninnannu muridu kattu ninage neene prerane  
Nee sididu nintaga dustharig eruvudu ede badita.
