

Jise banaya tha data ne  
Dharti ka wardan re  
Jise banaya tha mali ne  
Sach much hi insan re  
Nafrat ki ek hi thokar ne  
Ye kya se kya kar dala re  
Ye kya se kya kar dala re  
Kya se kya kar dala  
Apne hi lahu ka pyasa hai  
Apne hi lahu ka pyasa hai  
Nafrat ko mitane wala re  
Nafrat ko mitane wala re  
Kya se kya kar dala  
Nafrat ki ek hi thokar ne

Makhan ki rah jiska man tha  
Fagun ki tarah jo khilta tha  
Sawan ki tarah jo chalta tha  
Badal se lipattakar milta tha  
Barud ne aise fariste ko  
Barud ne ha fariste ko  
Rang dala kitna kala re  
Rang dala kitna kala re  
Kya se kya kar dala  
Nafrat ki ek hi thokar ne

Ye apna paraya bhul gaya  
Ye apna paraya bhul gaya  
Bas khun ki holi yaad rahi  
Ise khun ki holi yaad rahi

Nafrat ko mitane wala re  
Nafrat ko mitane wala re

lyrics

Nafrat ki ek hi thokar ne

Insan ke yahi karte war hai to  
Pyar ka akhir kya hoga  
Insan pe dharti mata ke  
Upkar ka akhir kya hoga  
Ab kaun hai malik tere siwa  
Ab kaun hai malik tere siwa  
Is dunia ka rakhwala re  
Is dunia ka rakhwala re  
Dunia ka rakhwala re  
Nafrat ki ek hi thokar ne  
Ye kya se kya kar dala re  
Kya se kya kar dala re  
Kya se kya kar dala  
Nafrat ki ek hi thokar ne.
