

Nagari nagari dware dware
Dhundhun re saawariya
Nagari nagari dware dware
Dhundhun re saawariya
Piya piya ratate ratate
Ho gayi re baawariya
Nagari nagari dware dware
Dhundhun re saawariya

Bedardi baalam ne mohe
Phunkaa gham ki aag me
Phunkaa gham ki aag me
Birahaa ki chigaari bhar
Do dukhiya ke suhaag me
Dukhiya ke suhaag me
Pal pal manvaa roe
Chhalake naino ki gagariyaa
Nagari nagari dware dware

Dhundhun re saawariya

Aai thi ankhiyo me lekar
Sapne kya kya pyaar ke
Sapne kya kya pyaar ke
Jaati hun do aansu lekar
Aashaye sab haar ke
Aashaye sab haar ke
Duniyaa ke mele me lut
Gayi jivan ki gathariyaa
Nagari nagari dware dware
Dhundhun re saawariya

Darshan ke do bhukhe
Naina jivan bhar na soege
Jivan bhar na soege
Bichhade saajan tumare
Karaan raato ko ham roege
Raato ko ham roege
Ab na jaane raamaa
Kaise bitegi umariyaa
