

Oo.. oo oo..

Woh nagri nagri phira musafir
Ghar ka rasta bhool gaya

Kya hai tera, kya hai mera
Apna paraya bhool gaya

Kaise din the, kaisi raate
Kaisi baaten ghaten
Mann balak hai
Pahle pyar ka sundar sapna bhool gaya

Andhiyare se ek kiran ne
Jhank ke dekha sharmayi
Dhundli chhab to yaad rahi
Kaisa tha chehra bhool gaya

Yaad ke pher mein aa kar dil par
Aisi kaari chot lagi
Dukh mein sukh hai
Sukh mein dukh hai
Bhed yeh nyara bhool gaya

Sujh-bujh ki baat nahin hai
Man-mauji hai mastana
Lahar lahar se ja sar patka
Sagar gahra bhool gaya

Woh nagri nagri phira musafir
Ghar ka rasta bhool gaya

Kiya bhoola, kaise bhoola
Kyun puchhte ho, bas yun samjho
Karan dosh nahin hai koyi,
Bhola bhala bhool gaya
Woh nagri nagri phira musafir
