

Naiyn tere jhuke jhuke  
Kyun hain yeh bata  
Koi toh hai mann mein  
Tere humse sakhi naa chhupa  
Main hee kyun bataaon  
Sakhi pehle tu bataa  
Chori chori aake tere  
Sapnon mein hai kaun basaa  
Nahin challenge tere  
Mujhse yeh bahaane  
Dil ki baatein hain lagi  
Mujhse tu chhupaane  
Tujhko hai kaise yeh pata  
Tere hee toh naiynon ne  
Mujhse sab hai kaha

Khoyisi tu uljhisi tu  
Rehti hai kyun har pal  
Dhyaan rehta kahan hai

Bholi na bann tere bhi  
Mann mein hai badi hulchul  
Yeh chhupa kab yahaan hai  
Neend aati nahin ab  
Kyun tujhe raaton mein  
Naam ik aata hai kyun  
Sab teri baaton mein  
Jhooti baatein toh naa banaa  
Jaanti main hun  
Ke tera sapna hai kya

Aayega aayega aise woh aayega  
Anganaa goonjegi shehnai  
Paayega paayega woh mujhe paayega  
Maine hai preet jiski paayi  
Kaun pritam hai tera  
Maine toh yeh jaan liya  
Maine bhi ab tere  
Manmeet ko pehchaan liya  
Sakhi auron se naa kehna
