Nee sollu kannu

Kurai paakura entha nenjathukkum
Pirai pakkura inbam kidaikuma
Oru porvaikul ulla manasukku
Antha irul vidinjathu theriyuma
Aatral ennaikum adanguma, ha
Aatral ennaikum adanguma, ha hoi

Kodi neruppa arampikkira
Aatral irukkum vathikkuchi
Adhu kaalam varumnu kaathu irukkala
Paanji urasi pathikkichchu

Oru kaathu kodukkum salasalappuku
Malaiyum bhayanthu velaguma
Puyalum padhunga palaguma
Oru kaal eduthu ne kadakka ninacha
Kavala maraiyum theriyuma

Konjam palichu palichu palichunu
Namma neruppa thelichu ponum kannu

Akkaraiyila nikuravana
Ettuthu namma saththam
Avan ikkara varum akkaraiyila
Nenjam avana suthum

Pattom adi pattom
Adipattum vandhu nippom
Oru ambha kuri vaipom
Vettri satham satham
Nitham nitham

Veppom adi veppom
Ulagukkey arivippom
Oru soththa namma
Anbha semippom

Karuvukkul kaiya thotta
Uravunna vanthu putta

Thuniayaaga vanthuputta
Andha nilaa

Karuvukkul kaiya thotta
Uravunna vanthu putta
