This that southside fix  
Click clack bang with the drip  
Drop it like it's andhra mirch  
Midas touch never jinxed  
Finest one in the list  
Fine dust off monoliths  
Crimes are up when i spit  
Southside up in this bitch

Cheptha neeku oka dhammuna katha  
Mana sontha katha mana south ghanatha  
Nuvvu vinnetuga manassu vippenthaga  
Vachei vachei mana lokaniki  
Bajubali nundi ee prapanchaniki  
Hyderabad biryani, veedhullo nijanni  
Vinandi maa vaani, chudandi kavyanni

Kl, tn, ka, ts, ap, southside  
You know, we the best  
Don't matter the city  
These southern committees the flyest around  
Where the women are pretty  
The weather is great with immaculate sounds  
From the sound and the style  
They steady picking up on southern decorum  
Kings and queens my side

The others ain't ready for what we got for them

Celebrations like its onam

Bring out the glasses and see how we pour them

Malabar boy doubt that you can afford him

Hustling nights and some chai in the morning

Came through with no warning

Now that we here no way you can ignore them

Land of the lungis and liquor that's foreign

Tell all your people yeah it's best you inform them

Malayali vanneda aarpu vilikkeda

Scene maari scene maari

South side il thee paari

Pande njangal poliyaanu kazhivinte pemari

Malayala cinemakal industry de ke garhi maati

Netflix il padam kandu ninteyokke kili paari

Thudangam legacy cent percent literacy

Shashi taroorinte english proficiency

Oscar kondannu resul pookutty

Nenjil kudi kollunnu mohanlal mammootty

Evide poyalum njan mindum malayalathil

Porattem beefum njan thinnum athikaalathu

Mundum maadikketti chenda thaalam kotti

Kidathakatha kidathakatha
