---

Naan titanic kappal thaan  
Atha nampi katturanda  
Kizhinja vethu paper kappalanna

Dai un kooda nippanaan  
Unna kavuthuvuttu sirikkum gang ah  
Thongavuttu urikkavennaam

Hey childhood lovesu  
Enna saaichiputta thimsu  
Antha ore ore kissu  
Athil aakkiputta loosu

Hey ennaada panna  
Unakku appave naan sonnen  
Unna kothuputtu senja  
Nee aruthuvittu vanja

Right vutra machan erangu  
Rendu round ulla erakku  
Yae raagam tharum  
Thaagam theerum  
Nammooru sarakku

Ithu pala muthuna kirukku  
Intha ulagam fulla irukku  
World feesu tharum

Hey matteru enna

Saava poren theriyiladi
