

Aane do, aane do  
Namo namo, namo namo  
Gunjega ye desh mein  
Namo namo, namo namo  
Na koi bhi hoga race mein

Namo namo, namo namo  
Gunjega ye desh mein  
Namo namo, namo namo  
Na koi bhi hoga race mein

56 inch ki chhati aur soch khurafati  
Akele bande ne hai dekho duniya hila di  
Alag hai iske paintre ye jhukta na zara bhi  
Karta aise kaam soti ankhe hai jaga di

Pahle din se aisi soch leke chalta tha ye roj  
Badlega ye bharat bemisaal banda banke josh  
Itna jyada isme khoon khaulega sabhi ka  
Sikha dega ye duniya ko bharat ka tarika

Jab modi hai neele  
Chal thoda sa jee le  
Aankho ke kore kyu peelee

Jab modi hai neele  
Chal thoda sa jee le  
Aankho ke kore kyu peelee

Aane jo, aage badhta bina dar ke  
Aane jo, saare rahte hai sambhal ke  
Aane jo, aage badhta bina dar ke  
Aane jo, saare rahte hai sambhal ke

Gujrat nu sher aavyo ghum gaa ke saver la  
Mishal devi chee chali saal se desh la  
Pachad koi vaar na phariyo  
Pachad koi vaar na jodiyo  
Thai te kari laiye  
Je panjoyi ne rong dhoye

Socha na khud ko jyada kabhi par  
Na hi kisi se hai kam  
Chalta hai aankho mein leke ye sapna  
Bharat ho no. 1  
Iski baato mein dikhta saara sach  
Irado mein dikhta dum  
Tabhi to 100 crore ki  
Aabadi chalegi iske saath

Jab modi hai neele  
Chal thoda sa jee le  
Aankho ke kore kyu peelee

Jab modi hai neele  
Chal thoda sa jee le  
Aankho ke kore kyu peelee

Namo namo, namo namo
