

Nashili bahot hai sharaabe mohabbat
Nasha sokh aankhon se chhalikyega
Nashili bahot hai sharaabe mohabbat
Nasha sokh aankhon se chhalikyega
Sitam gar peene peelane ka mosam
Nazar se humein bhi peela jaiyega

Mehekta huaa khubsoorat samma hain
Dhadkate dil o mein mohobbat jawan hain
Mehekta huaa khubsoorat samma hain
Dhadkate dil o mein mohobbat jawan hain
Tabasoom ke sokhi se jaane bahara
Ghadi do ghadi phool barsaiyega
Tabasoom ke sokhi se jaane bahara

Ghadi do ghadi phool barsaiyega

Muqaddar pe jee bhar ke aansu bahaloon
Shikasta mohabbat pe matam mana loon
Muqaddar pe jee bhar ke aansu bahaloon
Shikasta mohabbat pe matam mana loon
Daba loon zara dard e dil ki kasak ko
Bade shok se phir chale jaaiyega
Daba loon zara dard e dil ki kasak ko
Bade shok se phir chale jaaiyega

Sitam tuta hain jab kabhi zindagi bhar
Zamana hasa hain sadda bekashi par
Sitam tuta hain jab kabhi zindagi bhar
Zamana hasa hain sadda bekashi par
Mere pyaar mein bebasi dekhane ka
Zara aap bhi sokha farmaiyega
Mere pyaar mein bebasi dekhane ka
Zara aap bhi sokha farmaiyega

Mere saath saahil do aansu bahakar
Mere aarzoo ki chitta ko jalakar
Mere saath saahil do aansu bahakar
Mere aarzoo ki chitta ko jalakar
Mere lashe dil ko thikane laga kar

Bade sokha se phir chale jaaiyega
Mere lashe dil ko thikane laga kar
Bade sokha se phir chale jaaiyega
Nashili bahot hai sharaabe mohabbat
Nasha sokh aankhon se chhalikyega
Sitam gar peene peelane ka mosam
Nazar se humein bhi peela jaiyega
Nashili bahot hai.
