

Natiza hamaari
Muhabbat ka kya hai
Natiza hamaari
Muhabbat ka kya hai
Ye tum bhi na socho
Ye ham bhi na sochein
Ye tum bhi na socho
Ye ham bhi na sochein
Tere dil mein kya hai
Mere dil mein kya hai
Tere dil mein kya hai
Mere dil mein kya hai
Ye tum bhi na socho
Ye ham bhi na sochein
Ye tum bhi na socho
Ye ham bhi na sochein

Chup the ham chup
The tum kisane kya suna
Aankhon ne laakhon
Mein ek tujhako chuna
Is dil mein jo bhi ho
Kah duun kya kaho
Sine mein dhadakan
Hai sun luun kya suno
Kismat bhi aayi to
Kismat se kah denge
Ham tum na honge juda

lyrics

Galon mein bijali
Hai honthon par maza
Puuchhuun kya puuchho
Na dil hai kya khula
Dil lena dil dena ye hai kya saza
Aankhon ke ho jaao
Saanson mein kho jaao
Duniya ki paravaah hai kya
Hamein kya jo hamase
Zamaana khafa hai
Ye tum bhi na socho
Ye ham bhi na sochein
Natiza hamaari
Muhabbat ka kya hai
Ye tum bhi na socho ye
Ham bhi na sochein.
