

Suno gaur se, suno gaur se tum
Natnaagar ki hai saari leela
Suno gaur se, suno gaur se tum
Natnaagar ki hai saari leela

Kaaragar mein janm liya laal devaki ka
Mushkil mein praan phasi, maiya thi laachaar
Kans maama ko khabar lagi, ho gaya chamtkaar
Toot gayi hathkadiya, khul gaye saare dwaar
Chali raah phir chaali raah aage
Natnaagar ki hai saari leela

Le ke chale tokari mein pita vaasudev
Pag chhune chadhane lage jamuna nadi ke dhaar
Thamane ka naam na le baarish ki raftaar
Chhaaya bani kab aake sheshnaag fankaar
Huwi paar phir jamuna ke tat se
Natnaagar ki hai saari leela

Maa ka roop dharke putala aayi dudh pilaane
Maayavi ki maaya bujh gaye krishna
Shyaam apani chaturaayi se karde kuchh aisa
Vadh karke daayan ka bujha diye trishna
Koyi na jaane antaryaami ko
Natnaagar ki hai saari leela

Bachpan ki chaaya mein khola divyalalaat

Khel khel mein dikhlaaya maa ko roop viraat
Yashomati maiya ne kaanha ko pehchaana
Ishwar ki maaya ko tab jaake jaana
Sakal vishwa ko khud mein chhipaaya hai
Natnaagar ki hai saari leela

Gopiyo sang raas racha, raas rachaiya ne
Chir haran chhupake kiya krishna kanhaiya ne
Maakhan ki chori mein pakada maiya ne
Bansi ki dhun sunake naacha gaiya ne
Prem raag se sabko hai baandha
Natnaagar ki hai saari leela

Kaale naag ne ghera ghir gaye saare sankat mein
Sab gyaata giridhar ne kuchh aisa kaam kiya
Har bhay se har chinta se janmann ko dur kiya
Govardhan parwat ko ungali pe utha liya
Bana di anhoni ko bhi honi
Natnaagar ki hai saari leela
Suno gaur se, suno gaur se tum
Natnaagar ki hai saari leela.
