

I am naughty
Kehnde ne hotty
Main hun naughty girl
Kehnde ne hotty girl
Dont touch me baby touch me
Main badi glossi girl
Main hun naughty girl
Kehnde ne hotty girl
Dont touch me baby touch me
Main badi glossi girl

Mainu chahida hai only brands
Mainu follow karda trand
Meri looks pe mar jande sab
Kahnde baby give me a chance
Main hun naughty hotty
Main hun naughty girl
Kehnde ne hotty girl
Dont touch me baby touch me
Main badi glossi girl
Main hun naughty girl
Kehnde ne hotty girl
Dont touch me baby touch me
Main badi glossi girl

Arey mana tu to hot badi hai
Khetye hai tujhko naughty
Tere pichhe laga pada hun
Mujhe time kab dogi
Tu de de haa de de
Ab ek baar to time tu de de

Kab se tera wait karu main
Tere naam ka jaap karu main
Looks mein tu to lage kareena
Tujhe dekh ke aaye paseena
Sab kuchh chhod ke daud ke aaja
Mujhko do teen step sikha ja

Roz raat ko club mein jaati

Botle shotle shot lagati
Roz raat ko club mein jaati
Botle shotle shot lagati
Jhoomti gaati dance main karti
Dj beat pe shor machati

Koi kenda mainu jungle
Koi kenda mainu talli
Koi kenda maunu beuaty
Koi kenda kenda kenda

Tu hai naughty girl
Tenu kehnde hotty girl
Tere pyar mein pad jaava main
Aa mere naal tu chal
Tu hai naughty girl
Tenu kehnde hotty girl
Tere pyar mein pad jaava main
Aa mere naal tu chal

Main hun naughty girl
Kehnde ne hotty girl
Dont touch me baby touch me
Main badi glossi girl
Mainu chahida hai only brands
Mainu follow karda trand
Meri looks pe mar jande sab
Kahnde baby give me a chance
