

Yahan roj naya saawariyan
Wo bhi theek to ye bhi theek hai
Apna apna nazariya
Jhoomar payal bindiya kaajal
Na chunri hai na hai aachal

Roz baras ke ud jata hai
Ye angrezi husn ka badal
Aray do paathan ke beech me
Yaron saabut bacha na koye
Oye ye ku hoye, hoy
Aray aaj bhari mehfil mere
Kahin dol na jaye dil
In gori gori mam ka
Bale balle balle
Balle balle balle balle

Ek din humko bheja tha
Ab kis ko bhej ke aye
Aray hum to jhatke kha
Baithe ab tum kya khane aye
Aray baat karo kuch kheton ki

Tum jahan se hoke aye
Aray yahan to pal
Pal dhuwe ke mare
Dam hi ghutta jaye

Ao ao
Unhe pilao
Soye huwo ko zara jagao
Darte darte kaam hai karte
Sao baar bache hai marte marte
Aray khaao piyo mauj
Manao mauka phir nahi ana
Aray lala
Aaj bhari mehfil mere
Kahin dol na jaye dil
In gori gori mam ka

Aray nazar lage na saathiton
Aray ho oh oh ho ho
Aaj bhari mehfil mere
Kahin dol na jaye dil
In gori gori mam ka.
