

Nazar mein hai koyi chehra, thami dhadkan pal hai thehra
Raaz e aalam bada gehra, sun lo sanam
Akela tera dil akela mera dil, mohabbaton ki saji hai mehfil
Akela tera dil akela mera dil, mohabbaton ki saji hai mehfil
Teri baahein meri manjil o o sanam
Nazar mein hai koyi chehra, thami dhadkan pal hai thehra
Raaz e aalam bada gehra, sun lo sanam
Akela tera dil akela mera dil, mohabbaton ki saji hai mehfil
Teri baahein meri manjil o o sanam

Teri baatein, tera hi charcha, hamesha hardam karta hoon main

O jaan e jaana teri kesu pe, teri khushbu pe marta hoon main
Bolati gumsum yeh hasi raatein, rang laayengi yeh mulaakaatein
Nazar mein hai koyi chehra, thami dhadkan pal hai thehra
Raaz e aalam bada gehra, sun lo sanam
Akela tera dil akela mera dil, mohabbaton ki saji hai mehfil
Teri baahein meri manjil o o sanam

Teri saansein meri saanson ko chhu rahi hai najdik se
Tujhe hi dekha tujhe hi chaaha tujhe hai paana kareeb se
Main kahu toh kya hai badi mushkil
Sarfira sa hai yeh sama kaatil.
