

Nazar nazar se milakar sharab peete hai
Nazar nazar se milakar sharab peete hai
Hum unko paas bithakar sharab peete hai
Nazar nazar se milakar sharab peete hai

Isi liye to andhera hai maikade mein bahut
Isi liye to andhera hai maikade mein bahut
Yahan gharon ko jalaakar sharab peete hai
Nazar nazar se milakar sharab peete hai

Hume tumhare siwa kuch nazar nahi aata
Hume tumhare siwa kuch nazar nahi aata
Tumhe nazar mein sazakar sharab pite hai

Nazar nazar se milakar sharab peete hai

Unhi ke his se mein aati hai pyaas hi aksar
Unhi ke his se mein aati hai pyaas hi aksar
Jo doosron ko pilaakar sharab peete hai
Nazar nazar se milakar sharab peete hai.
