

Nazare Lyrics

Kali raat mei ha dikhne lage tare
Khoj mei tha main lekin yahi pe the sare
Inke gane chal rahe usme baatchit mere bare
Office mei call aarhi team bolri bhai abhi bahar hai

Finland ke nazare europe mei macha rhe
Norway mei chill kar rha emiway yeah yeah
Industry ki party aur fake social lifestyle
Mei nahi hota shamil mei

Nakli ice pehen ke khota rapper de rhe idhar scheme
Mei aisli ice pe jera life ha karra beta sking
Vvip mei gale aur hath mei vvs
Mere naam se chape tu ha kaatu tera tds

Mehengi meri deals baitha hu mei overseas
Mere sath mei yedechale kya hai bata seen
Bole muje joker mei villain kafi serious
Patte karra rolling real g kafi genius

Kya the vo din kafi raste kathin
Chillar ki aawaz nahi ab paise ki machine
Fans kare rage jaise baja rha mei fe!n
Main jera teri dream isliye aarhi nai hai neend

Kali raat mei ha dikhne lage tare
Khoj mei tha main lekin yahi pe the sare
Inke gane chal rahe usme baatchit mere bare
Office mei call aarhi team bolri bhai abhi bahar hai

Finland ke nazare europe mei macha rhe
Norway mei chill kar rha emiway, yeah yeah
Industry ki party aur fake social lifestyle
Mei nahi hota shamil mei

Mere shoes mei toh chal ke dhek 8 number jordan size
Zindagi thi kali raat ha laya usme northern lights

Heart mera hua cold jab nakli bande hue fold

Minus mei hai degree idher milega nahi sauna time

On the grind even on my birthday
Cake idhar katt tah or batt tah hai sabme
Tu nahi hai bantai tu one time hai chal be
Rappero ki fatti idhar chalne khud ke balpe

Nahi jana tu shakal pe koi bhola nahi
Bars mere ice age hai bache tu khona nahi
Jab tak na ban jaye kuch ache se sona nahi
Torch mere haath mei chal follow kar rolla nai

Kali raat mei ha dikhne lage tare
Khoj mei tha main lekin yahi pe the sare
Inke gane chal rahe usme baatchit mere bare
Office mei call aarhi team bolri bhai abhi bahar hai

Finland ke nazare europe mei macha rhe
Norway mei chill kar rha emiway yeah yeah
Industry ki party aur fake social lifestyle
Mei nahi hota shamil mei
