Nee jathai saagindhi paadhame  
Aapinaa aagunaa loloni vegame

Nee jathai saagindhi paadhame  
Aapinaa aagunaa loloni vegame

Velugula daarullo  
Virisina rangullo  
Prathikshanam okko varam  
Ayinadhi ee vela

Tharimina oohallo  
Tharagani oosullo  
Pedhavulapaina navvai edurosthunte  
Entho andham kanipisthunte edho bandham

Chiru chiru aasha... madhurame  
Egisina swaasa... madhurame

Prathi oka baasaa... madhurame  
Paipaina vaaluthunte  
Aa manchu poola vaana

Manasula paata... madhurame  
Valapula baata... madhurame  
Kalisina chota... madhurame  
Rammantu paaduthunna  
Aa swagathaalalona

Eduta nuvvu unte  
Edhaku rekkalochhe  
Prapanchaanni dhaatuthu  
Ningi meetuthu alaa

Neeli mabbullo thele gavvalaa  
Rivvu rivvantu egireldhaam padhaa

Kaalamtho pandhem veseddhaam  
Kalalanee nijame cheseddhaam  
Saradhaala anthe chooseddhaam  
Santosham maname ayipodhaam

O kotha lokam katteddhaam

Aa koti chukkalu ashtadhikkulu  
Okkatai ilaa chuttu cheragaa

Prathi oka baasaa... madhurame  
Paipaina vaaluthunte  
Aa manchu poola vaana

Manasula paata... madhurame  
Valapula baata... madhurame  
Kalisina chota... madhurame  
Rammantu paaduthunna
