Nee nee mattum podhum pogaadhe
Ni allaal thadaagangal
En thaagam theerkkaathe

Iru nodi pirinthathil

Kirukkai pol pithattugiren
Marumurai imaikkaathe entru acham ontru
Michchamintri moochadaikkuthe

Nee nee mattum podhum pogaadhe
Ni allaal thadaagangal
En thaagam theerkkaathe

Vidiyalil oli sugavil neeyum
Imai thalarthi enai paarayo
Pagal iravena naanum padithu
Un udhadu valigal tharayo

Thadumatrum puyalanen
Enul thoorum mazhaiyanen
En narambugalil nirainthirukum
Thiraviya thee

Nee nee mattum podhum pogaadhe
Ni allaal thadaagangal
En thaagam theerkkaathe

Iru nodi pirinthathil
Kirukkai pol pithattugiren
Marumurai imaikkaathe entru acham ontru
Michchamintri moochadaikkuthe.
