

Nee Thottale Lyrics

Aazham pakkave kaala vekkuraan
Aattu koottama
Ini unavaa avarin unavaa
Kaaram serthida aalum illaiye
Un ratham than rusi
Nee rusi serkka
Naan than raja
Un katta thedi than paadhai
Theriyudhe
Naan than raja
Un katta thedi than paadhai
Theriyudhe

Vaal illadha por illadha
Uyir karuvina jeyithida villanadhu
Naan than raja

Naan illadha per kondaada
Nee vishathinai koduthida undaanathu
Naan than raja

Aazha nianithaal mudiyaathu
En thaai nilam ketka nee yarada
Nee thottaale norungum karangale
Nee suttaalum un padai pinangale
Nee thottaale norungum karangale
Nee suttaalum un padai pinangale
Naan than raja

Kaadhil ketppadhu thaayin kurale

Kaadhil ketppadhu thaayin kurale
Kekkkudhaa idhu avanin unarve
Kodi magangalin thaai avalae
Thottaale norungum karangale
Nee suttaalum un padai pinangale
Nee thottaale norungum karangale
En paasa karangalil varalaar avai

Porin mugan kandaal thaangadhamma
