

Nee Thottu Thotta Song Lyrics

There's something about you
Got me going crazy crazy
I'm wondering why am
I dreaming about you
Catching feelings

I fall into love i've
Fallen so hard
I need you baby if
You're looking for mine
With golden heart then
Baby try me yeah

Nee thottu thotta
Dukthiruntho istam parayumo
Ee ninte notta vettu kondu
Nenchu muriyumo

Aananda viraha thaapa lahari
Enneniykku vannu cherumo

Oh dhum thanaana ennu paadi
Ninte arike yaadi vannu njaan

Praananil pathangamaayi
Paranneridaan
Varoo kadambakal
Kadannu vannu njaan

Nirasayum parathiyum
Paranjun ninte kannil ulla
Kallu konda rundaninnitha
Marachu vechu prema minna
Mooga mullu kondala

Nee thottu thotta
Dukthiruntho istam parayumo
Ee ninte notta vettu kondu
Nenchu muriyumo

Aananda viraha thaapa lahari
Enneniykku vannu cherumo

There's something about you
